DOSAGE AND ADMINISTRATION

Unflavoured gel - add ½ to 1 FlavourPac sachet to your gel powder.

Unflavoured express - add 1 FlavourPac sachet to your express powder.

PREPARATION GUIDELINES

Pour the contents of a flavour sachet into the Vitaflo beaker together with the appropriate sachet of protein substitute. Add the required amount of water as instructed, replace the lid and shake well.

For the best results the product should be freshly prepared and when possible used immediately. However, if necessary store in a refrigerator and use within 24 hours - re-shake before use.

IMPORTANT NOTICE

The product must only be given to patients with proven metabolic disorders under strict medical supervision.

Not to be used as a sole source of nutrition.

Not for intravenous use.

Not to be used in children under 12 months of age.

The product is just a flavour and does not contribute to dietary treatment.

STORAGE

Store in a cool, dry place.

PACK SIZE

FlavourPac is available in packs of 30 x 4g sachets.

ACBS and GMS approved.
