

PRO-CALTM

A new generation Calorie and Protein Food Enricher.

PRESENTATION

Pro-Cal is a blend of protein, carbohydrate and fat which can be added to a wide variety of food and drink to enhance the energy and protein content with the minimum effect on taste, volume and texture.

INDICATIONS

Pro-Cal is a food enricher indicated in the dietary management of disease related malnutrition, malabsorption states and other conditions requiring fortification with protein, carbohydrate and fat.
